**By public transport:** From the airport station take the S-Bahn (suburban) train S13 heading towards Hansaring or Horrem and alight at the main station.

**On foot:** Leave the station at the 'Breslauerplatz/Kunibertsviertel' exit and walk to the right down to the Rhine. When you reach 'Konrad-Adenauer-Ufer', the main road running along the riverbank, turn left and continue north along this street for approximately 300 metres until you reach our building.

**By car:** Due to the lack of parking spaces at the Institute, car drivers are asked to park in the underground car parks for either ① the Musical Dome (debit cards only) or ② Main Station (Hauptbahnhof/DB)
