

## X. Scientific Conference

### The Corona Crisis and its Aftermath

Date: Monday, March 15th, 2021 - 9.00 to 13.00 hours

The Corona Virus is still the biggest challenge worldwide. We will look carefully on the consequences for society, economic policy and inequality within the EU and Germany.

We are very much looking forward to our 10. – but first Online – Round Table Debate at the German Economic Institute – together with the Max Planck Institute for the Study of Societies.
